GUIDELINES FOR BOOK CHAPTER CONTRIBUTORS AND AUTHORS

These instructions are for authors of chapters for publication by Technoarete Publishers. They are important to follow as they help keep both the author's and publisher's work to a minimum, and allow us to produce a high-quality book without delay.

1. All papers must be original and not simultaneously submitted to another journal or conference
2. Chapters must not exceed the plagiarism limit of 10% excluding references.
3. Full Chapter must be between 20 to 25 Pages.
4. Chapters should consist of the following subsections.
5. The chapters should be submitted only in word document format.

The Book Chapter/Article should be in the following format:

<p><i>The Book Chapter/Artical should be in the following format:</i></p> <ol style="list-style-type: none"> 1) Title 2) Author/s name/s 3) Affiliation/s 4) Email (corresponding author) 5) Abstract 6) Keywords (Max. 4 keywords) 7) Introduction 8) Objectives 9) Data and Methodology 10) Result and Discussion 11) Conclusions 12) References 	<p><i>and</i></p> <p><i>Introduction,</i></p> <p><i>Materials and Methods,</i></p> <p><i>Observations/Results,</i></p> <p><i>Discussion,</i></p> <p><i>Acknowledgement (if any),</i></p> <p><i>References,</i></p> <p><i>Tables,</i></p> <p><i>Figures</i></p> <p><i>Illustrations.</i></p> <p><i>Illustrations should be large and clear to be reproduced neatly.</i></p>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

All Tables, Figures and illustrations should be numbered in Arabic numerals (1,2,3 etc) in the order they are referred in the text.

LAYOUT OF THE CHAPTER

Because your work will be online and available for purchase by the chapter, it needs to be consistent with our database requirements so it can stand alone and be fully searchable and accessible. Therefore, each chapter must have the following details (which we call "metadata") on the first page:

1. Definitive title (not a working title but a strong and descriptive one)
2. Definitive subtitle (if any)
3. Final sequence of names of authors with affiliations (department, university/company name, city, country)
4. university/company name, city, country)
5. E-mail address for the corresponding author
6. Full mailing address and phone number.
7. An abstract of a maximum of 200 words which encapsulates the work (must not contains figures)
8. not contains figures)
9. Max 8 keywords/search terms that will aid users to find your work online
10. Running head suggestion of no more than 45 characters (including spaces)

TITLE PAGE

Thank you for your attention to these Guidelines. If you have any questions, please contact your

. <https://usariglbookpub.com>

- Title of the manuscript;
- Title, Full names, affiliation and addresses of all authors including full postal address, and email addresses;

ABSTRACT

- Manuscript should contain abstract of up to 150 to 200 words in length. Please be sure that the abstract page does not contain any information that could identify the author(s).

KEYWORDS:

- Authors should choose 6 to 10 keywords related to the research topic.

BODY OF THE CHAPTER

- The introduction should state clearly the objective of the paper as well as the motivation and context of the research. The literature review should be limited to the articles, books and other items that have a direct bearing on the topic being addressed. Theoretical papers may devote a full section to motivation and potential usefulness of the proposed theoretical

BODY OF THE CHAPTER

PRESENTATION STYLE

- Margins should be one inch (2.5cm) at the top, bottom, and sides of the page.
- Font type should be 11-point Times Roman throughout the document.
- Double-space all body text, including abstract, references, endnotes and appendices.
- Number all pages in your manuscript, starting with the Abstract Page.
- Use one space, not two spaces, between sentences.
- Manuscript text should be justified.
- Use three levels of headings. Main headings designate your major sections. Center main

headings and use all capitals. Second-level headings should be flush with the left margin, and only the first letter of major words should be capitalized. Third-level headings should be indented and italicized; begin the first word with a capital, end the heading with a period, and then continue with your text. Do not use a fourth-level of headings.

Equations

- Please do not save and submit any equations in "images" format because we cannot edit them. If you cannot write them originally in Word, then use the tool which can be located at

numbered by chapter, in parentheses. Variables are italicized in the equations and in the text

PERMISSION TO USE FIGURES

• It is critically important to ask for permission to reuse figures from the copyright holder when you are writing the chapter. Do not wait until you have submitted the manuscript to the editor

FIGURE RESOLUTION

• At all times, figure resolution needs to be 600 dpi at the size it will be used. (Keep in mind that large figures will need to be downsized by our typesetter.) The exceptions are line art, which should be 800 dpi at the size it will be used, and

REFERENCES

References should be written in the (API and Other international Standards as per Subject) following style:

https://www.youtube.com/watch?v=CnVq_BpwP2E

• Authors should make certain that the reference for each citation in the text is complete, and that
